School overview

Tallebudgera State School is an Independent Public School, situated in a picturesque setting, close to the coast.

Our Mission	Our Vision
To ensure all students are successful learners, inspired individuals and engaged citizens.	To lead world-class, innovative education within a nurturing school community.

We have a positive school culture with high levels of community involvement in class programs and school life. Parents and carers are closely engaged in their child's learning and provide support at home for consolidation of classroom learning. Our school community is known for being caring and welcoming and this is reflected in the conduct of our students.

Our skilled and dedicated professional team provide explicit teaching, high expectations and engaging learning activities. Our curriculum prioritises English, Maths and Science to ensure that students develop strong foundations for all learning areas. Our approach includes formal instruction in literacy and numeracy starting early in the Prep year and builds on these skills throughout each subsequent year of schooling. Our learning activities involve the use of information and computer technology to engage students and provide instruction and opportunities at individualised levels.

Our targeted teaching approach ensures that each student is challenged at their individual level of learning and includes opportunities for support and extension. From Years 2-6, the whole team of teachers take responsibility for differentiating the teaching for each student in the cohort.

Building a consistent work ethic is important at Tallebudgera State School and we support students to develop positive and proactive classroom and playground behaviours. Our students' standard of behaviour and effort is outstanding. This is due to explicit teaching, caring relationships between staff and students and high levels of support from parents. Students know what excellence in learning looks like and teachers provide daily feedback to students about their learning and behaviour. Our school mascot is the Tally Tiger and this engaging character is used to reinforce values of resilience, courage, individuality and persistence.

We value a balanced school experience and have strong performing arts and sport programs. Speaking skills are taught from Prep onwards and we provide ongoing opportunities for children to build their confidence in front of an audience. Our dance groups and choirs provide entertainment at school and community events. We have a school rock band open to all students from Year 2 upwards. Our instrumental music program takes students from Years 3-6 and includes brass, woodwind, percussion and stringed instruments. Each class incorporates physical activity into the school day. Specialist teachers implement the Physical Education program. Students participate in interschool sports, athletics and swimming. A range of before and after school programs are offered on site by local clubs and sports coaches.

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2020	2021	2022
Short suspension	10	3	6
Long suspension	0	0	0
Exclusion	0	0	0
Total	10	3	6

Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to other years.
